Keeping You Informed

Discerning Women of Faith - Friday September 8th

Women are created to be life givers. We give physical life to our children and we give spiritual life to those whom God has put in our sphere of influence. Christ has given us new life through his death on the cross and He has commanded us to share the good news of Himself who is the way, the truth, and the life. As we consider our family, friends, co-workers, and neighbors who don't know the abundant life lived for Christ, we ought to prepare ourselves thru prayer and proper understanding of Christian teaching in order to provide an answer when asked about the hope within us. It is in this vein that the women's ministry will be offering a series focused on giving life to others through prayer, apologetics, and proclaiming the gospel. Using the Life Giver's book and study guide by Tricia Scribner, we will:

1. Pray for the hearts and minds of those around us who don't know Christ as Savior.
2. Equip and strengthen our faith thru apologetics in order to confidently share our faith.
3. Apply our knowledge by proclaiming Christ to those whom we have been praying for.
